

A close-up photograph of a woman and a baby. The woman has long brown hair and is wearing a white top, she is wearing a large, light-colored floral crown. The baby, who appears to be wearing a blue patterned onesie, is also wearing a floral crown made of white and yellow roses. They are both looking down at a bunch of flowers on the ground.

2015 BREATHE

17 & 18 MARCH
C3 CENTRE

Welcome to a new style of Breathe invitation. This was such a fun day of styling and photography with beautiful women and children who were happy to brave the elements in order to inspire you women to know how loved and blessed you are.

Women from all generations declaring that as we walk through this world we can hold our head high with beauty and grace since He has crowned us with so much dignity and blessing. Listing off our shame and giving us a future and a hope.

Blessings for our enjoyment but not for our indulgence. Blessings that are promised as we walk in obedience. Blessings for those that are prepared to count the cost for their faith. Blessings so bountiful that others benefit from them. Creating a place on earth for God's kingdom to come and His will to be done. Creating community where there was once loneliness. Joy where there was once mourning. Beauty instead of ashes.

As we gather this year I believe we will be brought to a fresh place of intimate worship, hearing a beautiful whisper from heaven of everlasting love. We will listen to inspiring stories of hope and learn about life victories against all the odds. We are sure to have a few moments of laughter as well as a few tears as we realise again how we can trust and release our fears to a God that knows us so well.

Through it all we will be impacted by honest and insightful biblical teaching by women who I just know you are going to love.

So whether you are new to Breathe or a long term friend we are preparing the party for you in mind.

Looking forward to seeing you soon

BLESSED IS She

2017 SPEAKERS

JULIE GALANTI

Julie lives a full life as a wife, mother, pastor, leader and friend. She looks after Sisterhood and Pastoral Care for Hillsong Church's Central London location. The growth curve of the church to thousands of people is reflective of the growth curve of her internal life as she has remained planted in the local church, walking with Jesus. Other than her family, her passion is seeing people encounter God every Sunday, learning to walk a path of longevity and experiencing ever-increasing revelation. She also enjoys reading, adventure trips (once swimming on the back of a whale shark!) and entertaining (true to her Greek heritage, alarming guests with oversized food portions!)

ANGIE CAMPBELL

Angie Campbell is a Senior Pastor at C3, who has a particular flair for finding a need, making a plan and then doing something about it! Angie's particular passions are for women and for those in society who are the most vulnerable. Establishing Cambridge City Foodbank and Look Cambridge has been part of outworking her passion.

As your host for Breathe Angie has crafted a conference that will inspire, challenge and equip you. Angie's goal is for everyone to leave feeling grateful for being a woman.

LYDIA TODD

Lydia Todd is encouraging, warm, gracious and full of positivity. Together, along with her husband Roy, they lead the Junction church in Loughborough and Leicester. Lydia was born near Leeds and studied theology at university. People love her brilliant way of inspiring them to face the challenges of everyday life with faith and hope. Lydia is down to earth and real. When she's not doing church stuff, you'll probably find her at the gym!

BREATHE GIRLS

DEBBIE BENGER

Debbie has grown up in church and has been involved in many aspects of serving and leadership throughout her church life. Along with her husband Nathan, they are the Youth Pastors and Derby Location Pastors of Christian Life Church, and have a 3 year old son called Zion.

Our 2 BREATHE GIRLS sessions will be led by the C3 youth team where Debbie will be the guest speaker.

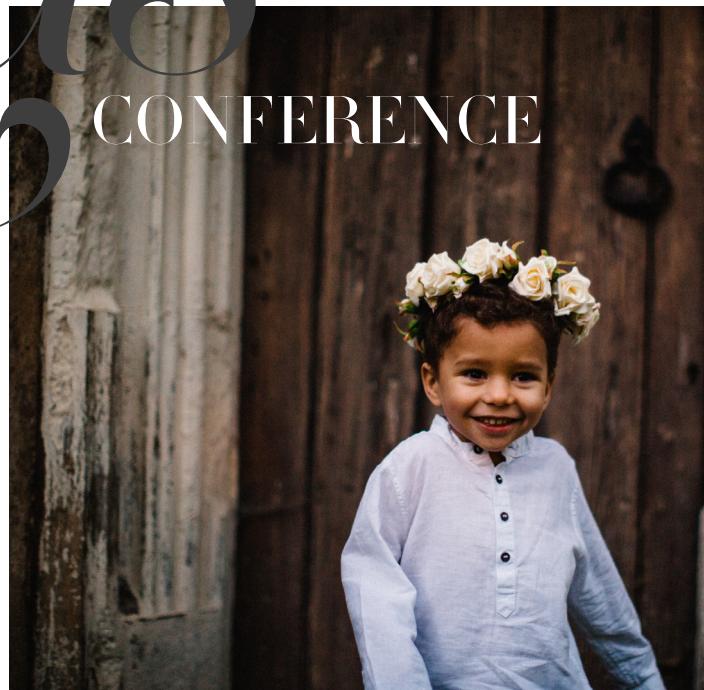

There will be plenty of opportunity to relax, make friends and inspire one another.

Debbie currently works for the NHS as a Neonatal Nursery Nurse.

She previously studied as a midwife, where she often found herself in the surreal situation of witnessing the miracle of childbirth and repeatedly saying "Come on, you can do it. Just one more push! And breathe!"

MATTHEW 5:8 NIV

This year Breathe Conference is partnering with Compassion to help release children from poverty.

We can do this in a very practical way by bringing knitted baby bonnets, muslins and 0-12 month age socks to be taken to Compassion projects in Kenya.

The Compassion team will be joining us at the conference, along with a Compassion Graduate and the Any Girl Exhibition.
